SOBAN SHAFIQ

WEB DEVELOPER | UI/UX DESIGNER

An enthusiastic and passionate UI/UX Designer and Frontend Web Developer with over a year of experience with the tech industry. I have an extensive understanding of user-centered design principles and excel at building intuitive digital experiences. Proficient in creating websites, web apps, and high-fidelity designs and websites with industry-standard tools like Figma, Adobe Xd, HTML, CSS and JavaScript, ReactJS, etc. I am always seeking to refine and improve my skills and stay up to date with the latest design and development technologies to deliver the highest-quality work and exceed project expectations.

SKILLS

- Creating intuitive Web & Mobile UI Designs in Figma.
- Using HTML, CSS & JavaScript to turn Figma designs into interactive websites.
- Using 3rd-party APIs to fetch & display data on websites.
- Building basic web apps and websites in ReactJS.
